

Wellesley Recreation Department
Cycling Program

Soft Spoke'N are easier bicycle tours; *Out Spoke'N* rides are designed for those not intimidated by occasional hills and willing to tackle some off-road riding on "civilized" surfaces. ***Thursday Out Spoke'N*** is on-the-road only; in a departure from our usual practice, road bikes are preferred in these Thursday programs (but hybrid and mountain bikes are still OK). **For all other rides, no road bikes are allowed. Child carriers and tag-a-long" are not appropriate for these rides. All participants in cycling programs must wear ANSI and/or CPSC-approved helmets and must bring a bike in good working condition.**

**To register for these programs, please call the Wellesley Recreation Department at
(781) 235 – 2370 during office hours of 8:30 am – 4:30 pm.**
